OUR VISION

NAREP's vision is to see an equitable and prosperous Zambia playing its role as:

- An alternative energy superpower
- The continental breadbasket
- A regional inland infrastructure and logistics hub
- A centre of technological and innovative excellence
-

NAREP believes that access for all to quality healthcare, education and infrastructure can be achieved with leadership that places excellence, integrity, responsibility and service above self-interest.

OUR PURPOSE

NAREP is a political movement promoting personal responsibility, economic development and social justice through value-based leadership.

Our purpose is to restore hope to current and future generations and to bring about development through actions based on a foundation of values. We aim to restore pride in being Zambian and restore belief in what our great nation can achieve and offer to the world. Our name, National Restoration Party, is intended to reflect these goals.

OUR TEAM

We are a group of committed Zambians representing various sectors of society and with diverse backgrounds, skills and experience. We have three main things in common:

True change starts from within and a foundation built on values is essential for the effective management of the country. In order to create a prosperous country where opportunity is open to all, we need a new generation of leaders who will address major challenges of national development with fresh ideas and bold approaches. This is what we represent.

OUR VALUES

We believe that actions taken on a foundation of values will lead to desirable results and the realization of our vision for Zambia.

Our core values are:

- Excellence
- Integrity
- Responsibility
- Service
- Equity
- Humility
- Commitment
- (A Sense of) Community
